7 November

Tommaso Starace

By great good fortune we've managed to secure a third visit to JASG by young Italian alto sax player **Tommaso Starace**. Tommaso will beguile us once again with his heart-rending lyricism, accompanied by distinguished pianist **Michele di Toro**. Look forward to an evening of exquisite music making.

'An exciting talent, Starace is developing a seriously impressive body of work.' allaboutjazz.com

Tickets: £15, (£13 concs.) Students with ID £5
